

EMPOWER YOUR PERFORMANCE WITH PASSION

Porcher Sport is the partner of innovative brands. Together, we imagine materials of the future that will make reach new heights.

Our long experience in parachute fabrics explains why they are so safe and reliable for the best confidence when jumping into the air.

THE COMBINATION OF TEXTILE AND CHEMISTRY AT THE HEART OF OUR SKILL

High
tenacity

controlled porosity

high tear strength

stable after ageing

PN 1 : Non coated for intern parts (intrado)

Description	
Pattern	Rip Stop
Finish	Overfinished and calendered
Width	1680 mm
Length of rolls	300 linear meters
Reference	700091680PN1 + ref.color

controlled porosity

high tear strength

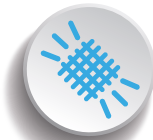

light & compact

PN 9 : Non coated for reserve parachute

Description	
Pattern	Rip Stop
Finish	Overfinished and calendered
Width	1680 mm
Length of rolls	200 linear meters
Reference	700021680PN9 + ref.color

PN 4 : Silicone coated both sides for extern parts (extrado)

Description	
Pattern	Rip Stop
Finish	Coated both sides
Width	1680 mm
Length of rolls	300 linear meters
Reference	700091680E4J + ref.color

self-repairing

zero porosity

high tear strength

stable after ageing

PN 4 Light : Silicone coated both sides for extern parts (extrado)

Description	
Pattern	Rip Stop
Finish	Coated both sides
Width	1680 mm
Length of rolls	300 linear meters
Reference	700021600E4J + ref.color

self-repairing

zero porosity

high tear strength

stable after ageing

light & compact
