

THE BEST CHOICE FOR SYMMETRIC & ASYMMETRIC SPINNAKERS

Porcher Sport is the partner of innovative brands.

Together, we imagine materials of the future that will make you reach new heights.

Everyday, we develop textiles, materials and composite solutions stretching the limits of the impossible. We take up the challenge of designing the most lightweight, safe and durable textiles solutions.

Easysail® demonstrates an ability to adapt to all kind of boats and will give you many miles of amazing sailing experience.

SPINCRUISE FABRICS PERFORMANCES

Long-lasting performances, high durability

Excellent tear strength
in warp and weft direction

High tensile strength

Conservation of bias stability
after ageing

Low water absorption

THE COMBINATION OF TEXTILE AND CHEMISTRY AT THE HEART OF OUR SKILL

High
tenacity
nylon yarn

Unique
weaving
pattern

Long
lasting
finish

Full
integrated
production

MADE IN FRANCE

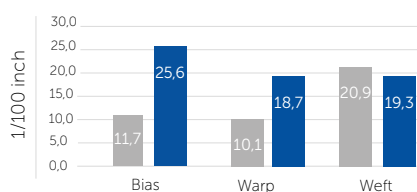

LONG LASTING, STABLE AND EFFICIENT FABRICS FOR CRUISING

SPINCRUISE

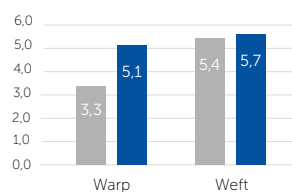

PERFORMANCES FEATURES

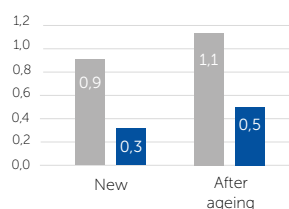

ELONGATION UNDER 20 LBS

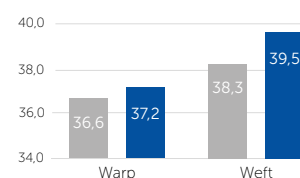

TEAR STRENGTH (LBS)

WATER ABSORPTION (%)

BREAKING STRENGTH (DaN/cm)

Competitor fabric Easysail 40
