

## SPINCRUISE 120

### DESCRIPTION

### END USES

**Fabric :** 90172

**Yarn :** Nylon

**Width :** 152 cm

**Pattern :** Ripstop

**Internal ref. :** 901721520E72xxx

**Length of rolls :** 150 lm

### FOR CRUISING

Adapted to all kind of boats and will give you many miles of amazing sailing experience.

Long-lasting performances, high durability

Excellent tear strength in warp and weft direction

High tensile strength

Conservation of bias stability after ageing

Good water repellency
